Dear Parents of 2019 Gross School Graduates:

On Tuesday, January 8th we will measure your child for his/her graduation cap and gown. The caps and gowns that we use for our graduation ceremonies are blue with a cap, and a tassel provided by Jostens. These are purchased at the cost of \$28.00 per unit. After the graduation ceremony, all pieces are yours to keep. **If you already have a cap and gown from an older sibling, please notify us in writing or by email to lmezan@district95.org BEFORE December 21st.** You will then need to order just a tassel, at the cost of \$10.00, for your child. Otherwise, we will be ordering a complete package for your child and you will be responsible for full payment of the unit.

PLEASE DO NOT SEND MONEY AT THIS TIME. One week before graduation, the units will be delivered to the school, at which time payment will be due. You will be notified when this occurs.

Van Gogh Photographers will also be here on Tuesday, January 8th for graduation pictures. Students will be photographed in dress clothes, and also cap & gown. Students should wear nice clothes from head to toe for their pictures. Cap and gown photos will also be taken for the class composite. ***The composite picture chosen of your child MUST be in his/her cap and gown.***

You will have a chance to order individual pictures of your child and the graduation composite. Orders may be placed when your child's proofs are delivered to you.
