Dear Parents,

It has come to our attention that the current school calendar INCORRECTLY lists April 14 as our institute day. The CORRECT institute day is **April 7**, which is typical for our district as this is an election day and our S.E. Gross Middle School is used as a polling place.

I apologize for the publication error and hope that families will enjoy the extra day added onto our currently scheduled spring break (March 30- April 6). Please note this change on your personal calendars.

Thank you,

A handwritten signature in black ink that reads "M. Kuzniewski". The signature is written in a cursive style.
